## **Successful Television Writer/Producers Comment on Luke Yankee's Writing:**

**"Luke Yankee is an insightful writer with a flair for comedy."**

**Marc Cherry**

*Creator, Desperate Housewives*

**"Luke's dialogue is wonderful -- engaging, yet full of truth. And his sense of story is absolutely solid. A team player with a voice of his own."**

**David Rambo**

*Supervising Producer, CSI: Crime Scene Investigation*

**"Luke Yankee is an exceptionally gifted storyteller with a highly developed sense of humor - and an impeccable ear for dialogue. I look forward to everything he passes along as his writing - whether fictional or autobiographical - never fails to compel."**

**Adam Belanoff**

*Co-Executive Producer, The Closer*

**"Luke Yankee capitalizes on his theatrical background as a director, actor, and producer, and brings a powerful sense of character and an awareness of how his words will translate into actual performance. Few writers will ever understand actors as well as he."**

**Roger Wolfson**

*Supervising Producer, Saving Grace*
